

Extra Awards pays you back with gifts

and travel just for using your card

Extra Awards rewards you for purchases you make with your Mountain America credit card. For every dollar you spend using your card, you earn one Extra Awards point to use toward gifts and travel anywhere in the world! (Cash advances don't qualify.)

Extra Awards gives you more options because it's Mountain America's reward program. Awards are not tied to specific airlines or one company's merchandise. There's no need to visit special Web sites or make purchases at specified merchants to earn points. You're already enrolled. Simply use your card and watch the points add up. When you have enough points for the reward of your choice, just submit your redemption request. That's it!

### Travel Awards

Your travel options are virtually limitless! Use your points to head for the sun, surf, slopes, or your favorite city's streets.

Since your purchases earn Extra Awards points, not air miles, you can travel on most major airlines with fewer restrictions.

See the travel award chart on back for your travel options.

There are no blackout dates with Extra Awards, however we recommend you book early for holiday travel.

Travel without restrictions (21-day advance purchase and Saturday night stay not required) using our Traveler's Choice option. Traveler's Choice allows you to apply a \$325 credit toward the value of your ticket. If the cost of your desired ticket is more than the value of the award, you simply pay the difference between the two. One Traveler's Choice award available per ticket. Tickets must be purchased through a program travel agency.

How to redeem for travel:

Call our redemption center toll-free at 877-909-1450 from 6 am to 6 pm Pacific Time, Monday through Friday, or complete a redemption form on our Web site at [www.extraawards.com](http://www.extraawards.com).

Your point balance will be verified and your itinerary arranged. If your first choice is unavailable, the travel service will work with you to find another option that works best.

## Gift Certificate Awards

When you've earned enough points, go to **Mountain America's Web site** or [www.extraawards.com](http://www.extraawards.com) and choose the value of your Gift Certificate Award based on the number of required points. Then complete a redemption form. A Gift Certificate Award will be delivered to you by e-mail or mail (U.S. only).

You can earn Gift Certificate Awards for various dollar amounts, which can be divided among several award categories. For instance, a \$250 Gift Certificate Award can be turned into merchandise, travel packages, or gift certificates that you spend directly with participating merchants.

Use your Gift Certificate Award to choose from national retail and e-tail gift certificates, merchandise, travel packages, adventure outings, phone cards, and more.

You'll find many favorites on the list of retailers such as Amazon.com, Coach, Macy's, Marriott, Pottery Barn, Sharper Image, and more. The choice is yours — take a trip, shop at home, or head out for a day of shopping your favorite stores.
